BANGALORE DIVISION.

Notification, dated 14th November 1933.

Notice is hereby given that sealed tenders will be received at the Office of the Executive Engineer, Buildings Division, Bangalore, up to 27th November 1933, (2 P.M.) for construction of a Second Kiln in Government Porcelain Factory, Bangalore. The approximate estimate of quantities is given below. These quantities are not guaranteed. The work should be completed by the end of February 1934.

2. The plans, detailed estimate and conditions may be seen at the Executive Engineer's Office, Bangalore, between the hours of 11 A.M. to 5 P.M.

3. Tender should be submitted on the printed forms, which may be obtained from the Executive Engineer. The tenders should be accompanied by a statement in the form given below, showing the rates at which the different items specified will be executed.

4. Each tender must be accompanied by a deposit of Rs. 275 (rupees two hundred and seventy-five) in cash or Government Promissory Notes as earnest money and be superscribed. "Tender for construction of a Second Kiln in Government Porcelain Factory, Bangalore," in default of which, tenders will be rejected.

5. The final acceptance of any tender will rest with the Buildings Division Executive Engineer, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond, in default of which, his tender will be considered cancelled, and his earnest money will be forfeited.

7. The name of the successful competitor, whose tender has been accepted, will be posted on the Notice Board in the Executive Engineer's Office in due course. No enquiry regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.

9. Rates once tendered will not be enhanced on any account.

10. Rates for non-tendered and non-estimated items shall be as per schedule rates of the Department or those fixed by the Executive Engineer after working out data with not more than 10 per cent for contractor's profit.

11. In all matters not specially provided for and in all matters of dispute about rates, quantities, measurements, quality of work, etc., and in all disputes of any kind, the decision of the Executive Engineer will be final and legally binding.
